

## Public Notice

On December 19, 2018, President Trump announced via Executive Order that Monday, December 24, 2018, would be a federal holiday. Although the Judiciary is not subject to the President's Executive Order it will impact our operations because of the fact that the federal buildings in Idaho will be closed. The courts will have staff answering the phone lines and will be able to process electronic filings as needed. Should you have a question please call the following numbers:
